

ROUNDTABLE DISCUSSION WITH HORIZON HEALTH SERVICES PROGRAM DIRECTOR PATRICK GREENE

What is a roundtable discussion?

An organized discussion about a topic with an expert presenter leading the discussion. This format allows participants to actively participate and get specific feedback regarding issues if desired. Participants may also simply listen and observe to get helpful information on a specific topic. Upon registering you have the option to provide the FSC staff with questions you would like us to give to the presenter anonymously.

**January 29, 2024
6-7:30 p.m.**

**Roundtable Topic:
Managing Parenting -
Stress, Work/Life Balance,
