

Amherst Central Schools Family

Wellness Fair

The Health and Physical Education Department of the Amherst Central School District is hosting a Family Wellness Fair that will include an opportunity to participate in fitness activities with your entire family. There will be a schedule of fitness presentations for you to choose from, we will also have free healthy food samples and there will be local community organizations in the cafeteria to provide health & wellness information along with summer camp programming. There is **no cost** to participate so please join us for a night of family fun!
